LINKEDIN POST

There is a cost-of-living crisis happening right now in our communities. We cannot let people struggle alone. We must act now.

Money A+E is a social enterprise that provides money advice and education. They support Diverse Ethnic Communities, disadvantaged groups and young people: the groups hit hardest by the cost-of-living crisis.

More and more people need support with 'deficit budgets': meaning that their income simply does not cover their household expenses.

Please, donate today and help @money a+e put the  back in our communities.

Thank you.

FACEBOOK POST

There is a cost-of-living crisis happening right now in our communities.

Food and rent price rises are rising far beyond wages. Average energy bills have risen by an incredible £700 per year.

It is low-income households who will feel this pain the hardest.
